

## TRAVEL AGENT INFORMATION FORM Palio di Siena Italy 2009

**Siena like an insider with the Palio Race, Pre-Palio dinner, and Chianti wine country (7 & 10-day).**

Anyone can travel to Italy, but few do it like us: deeply, madly, passionately. Spyns is Siena's #1 travel company so you can be sure your clients will have an unforgettable running of the bulls adventure.

**Our Tours** Spyns offers 4, 7 and 10-day adventures to Italy to meet any budget. We can also design custom group tours. We provide guided trips meaning that 1 or 2 trip leaders will stay with each group of 8-12 clients. We emphasize service so your clients will be picked up and dropped off at the Siena train station. Our Palio trips include guides on call throughout your clients' stay, hotel, breakfast, a private balcony to see the Palio race, pre-Palio dinner, guided tours of Siena and region.

### **Service: The Spyns Difference**

We have a dedicated team in Siena. A former client once referred to our service as 'relentless' and that suits us just just fine. We know our clients and understand that they want to experience the fiesta and yet get a good night's sleep. We're also flexible enough that your clients have the option of staying with one of our guides or going it alone.

### Who we are...

Like all good businesses, Spyns started by accident. In 2003 Ryan King, Spyns President, wanted to see the Palio but just couldn't find the right tour: an upscale adventure to see Tuscany and the Palio in style. The result was our first tour to Italy. Since then, we haven't looked back. Spyns (pronounced 'spins') is an active travel company based in Whistler, British Columbia (Canada) and Beaujolais, France. We specialize in guided luxury tours with an emphasis on unique and personalized service. We've been organizing adventures to Europe since 2003 and have grown to become a leader for tours to Siena's Palio.
